Dear President,

Your club has been a MAFFI supporter in the past and it is most appreciated. Because of your generosity we are within \$150,000 of the amount needed to begin building THE MODEL A FORD MUSEUM.

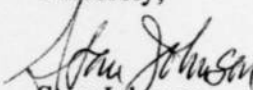

We need some additional help from both your club and its individual members for a final effort before contracting to build. On September 16<sup>th</sup>, Maffi's Trustees will meet to discuss available funds and construction plans.

**WE ARE THAT CLOSE!**

We ask you to discuss this request at your next Club meeting and with your Board. With a Club donation and many members buying engraved bricks, we all will become partners in the history of Model A'ing.

Thank you again for your help and generosity,

Sincerely,

  
Stan Johnson  
President
