

Model A For Sale

Ray Zahnd has decided to sell his Model A Ford. Ray was a member of our Club back in the eighties. There were five or six of us. We sometimes referred to ourselves as the Noe Valley A's. The Noe Valley A's consisted of myself, Clifford, Ray, Walt, and the Carotti brothers. We all lived within a few blocks of one another and would often times end up in one garage or other to help out or to admire the progress being made on the current restoration. Ray's car is a 30-31 Sedan. The body is in good condition with very little rust. There is some sheet metal damage near the spare tire mount. The body is off the frame, complete but unrestored. The chassis is partially restored and together. Fenders and aprons are metal and in excellent condition. This would be a very easy restoration. Ray is asking \$5,000. If you are interested, please give Ray a call at (415) 533-0430.
