Dear Model A Ford Club:

On behalf of the children of the Jean Weingarten Peninsula Oral School for the Deaf (JWPOSD), I thank you for the generous contribution in the amount of \$1,500.00; check #1223 dated 5/9/2013. No goods or services were provided, in whole or in part, in consideration of your gift.

JWPOSD is a non-profit 501(c) (3), auditory/oral education program. We are a non-public school, accredited by the California State Department of Education, established in 1969, providing an excellent education for young deaf children living in the Bay Area while teaching them to listen, speak and communicate with the world around them.

Our goal is to mainstream our children into their local schools by kindergarten with superior academic and social skills, together with excellent speaking and listening skills, capable of competing with their peers with the confidence and self esteem that will help them to succeed in school, to choose challenging careers and become self sufficient citizens.

Your generosity is greatly appreciated. Thank you for your significant investment in the lives and future of our children.

Sincerely,

Marsha Eddleman
Development Director
