President's Message

Even though the virus appears a little less of a threat now than it did a month ago there is still a risk in our meeting together as a group. Since many of us are older and suffer from multiple morbidities it is probably best that we continue to postpone our regular club meetings for now. Our first in person meeting of the year will hopefully be sometime in the fall.

We will have a June virtual ZOOM meeting on Thursday June 11 at 7:30 pm. Follow the instructions below and with your computer or cell phone sign in at 7:30 pm and we will begin once again to gather together for our regular monthly meetings. It's easy – just click on the link below to join the ZOOM meeting.

SF Model A Club is inviting you to a scheduled Zoom meeting.

Doctors are saying that it is a good for people to get out and socialize, exercise, and energize. We have been sitting at home too long. We are becoming neurotic, depressed, suicidal, and fat. Then to relieve our depression we turn to drink and drugs. If this is happening to you then please join me for a PANDEMIC PICNIC on Friday June 5, 2020.

We, however, are not "throwing caution to the wind." You will be required to wear a face mask. Gloves are optional (I will make them available to anyone who would like to wear them). You must bring your own food, drink, and hand sanitizer. You must bring your own lawn chair. You must "social distance" and there will be no sharing of food or drink.

So get the old car out of the garage and meet me at Spreckels Lake in Golden Gate Park near the boat house at 11 am this Friday June 5 for lunch. Enjoy an hour or two with friends and then head home.

To gain access to our picnic area and parking enter the frontage road alongside Spreckels Lake and follow it to the parking area where you'll see me and my '57 Thunderbird. If you have a problem finding us call me on my cell phone 415.990.2974 and I will guide you in.
